Dear Dick:

A recent check of our Ineligible Volunteer File against the National Eagle Scout Association indicated that the above named individual is presently a member of NESA.

This individual is listed on our Ineligible Volunteer File and will not be permitted to register with the Boy Scouts of America. We wanted you to be aware of this, so that the individual cannot participate in any activities with the council, simply because he is a member of NESA. He should not participate in any leadership capacity or assume any responsibility in the Boy Scouts of America. He could participate as a parent if he has a son or daughter involved.

We wanted to make you aware of this, so you would not involve him. Let us know if you have any questions.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

The attached papers cover our processing and handling of a recent suspected and by investigation by Detective Gary Roeloff, of the Grand Rapids Police Dept., found guilty as reported by one 15 year old Scout, who refuses to take the case further and testify. Twenty-four (24) hrs. after the Scout [REDACTED] was interviewed Phil Miller sent a letter of resignation to the head of his troop's sponsoring organization and copied our EE Carol Vink.

After conference by phone with you, we hand delivered the enclosed letter to Phil Miller and as of July 18, 1990, I received word he was planning to stay involved on campouts and therefore mailed the attached letter to JAMES LUNG stating our position against Mr. Miller's involvement.

My opinion of this entire set of circumstances is that Phillip F. Miller of 1034 3rd St., Grand Rapids, MI 49504 be placed on our confidential file.

Sincerely,

Richard F. Miller  
Scout Executive
